Cold Storage Works.

A foundation of masonry laid in cement is being constructed in the boiler room of the Hawaiian Electric Co.'s works for the engine of the cold storage department. The excavation is kept free from water, which comes underground from the harbor, by a steam pump. When the foundations of the present works were being laid, the workmen were sometimes up to their waists in water. In the same apartment the freezing tanks are to be erected, while the building about to be constructed will contain the cold storage rooms. Mr. High, contractor for the new building, is personally supervising the preliminary operations now in progress.

Terrible Misery Helpless With Rheumatism and Without Appetite

Tired Feeling and Pains Dispelled by Hood's Sarsaparilla.

"I was in terrible misery with rheumatism in my hips and lower limbs. I read so much about Hood's Sarsaparilla that I thought I would try it and see if it would relieve me. When I commenced I could not sit up nor even turn over in bed without help. One bottle of

so much that I was soon out of bed and could walk. I had also felt weak and tired all the time; could not sleep, and obtained so little rest at night that I felt all worn out in the morning. I had no appetite to eat anything, but Hood's

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.

Perfectly Wretched!

PAINE'S CELERY COMPOUND RESTORED MRS. DARROW TO HEALTH AND HAPPINESS.
